

Attention visitors and other individuals entering this facility

In light of the spread of COVID-19 (Coronavirus), we ask that you self-monitor for signs and symptoms of respiratory infection for at least 14 days after exiting the facility.

If symptoms occur, you are advised to self-isolate at home, contact your healthcare provider, and immediately notify our facility of the date you were here, the individuals you were in contact with, and the areas within the facility you visited.

If you discover signs or symptoms within the next 14 days,
please notify: _____.
